## **Who gets the title "Münchner Skimeister / -in" at the Münchner Skimeisterschaft**

Anyone who likes to ski in the ski area of the most beautiful suburb of Munich, no matter where he lives and where he was born between 1910 and 2010, is entitled to participate.

On February 4, 2017, the time has come: under the patronage of Munich's Lord Mayor Dieter Reiter, ski enthusiasts in Kitzbühel are allowed to ride on the legendary Ganslern slope for the titles "Münchner Skimeister / in".

Where only two weeks before, the audience at the Hahnenkamm race celebrated the world bests of skiing, everyone who has a passion for skiing can ride a family-run giant slalom race.

At the same time, teams (companies, clubs, families...) can go in an extra evaluation class. The prerequisites are that each team consists of a maximum of five persons, including at least one woman. The three best drivers are judged, also a woman must be in the scoring.

At the award ceremony we celebrate the Munich Skimeister with a winner cup and appropriate celebration.

The day starts at 7:30 am with the start number issue at the Ganslern lift and a relaxed white sausage breakfast at the Red Bull Restaurant at the Hahnenkamm race. The race itself will be started at 10:00 am. Also for the non-skiers a nice program is provided on this day: with Zipflbob race, music, and many other exciting actions around the race. After the pricegiving a party takes place on the trendy Ganslernalm.
